Deb/Suzanne, we are reaching out today to NRC, SDDENR, tribes and the company on the Dewey public notice next week. I'm attaching talking points for these conversations, as well as the more robust communication strategy. Douglas will let us know once he's spoken with his counterparts at SDDENR, at which you may want to give Pirner a call. Please let us know if you need more information or would like to talk over any of the points before you make a call to Pirner.

Thanks!

D
